Overall, how would you rate your ability to dock a boat in a marina with winds around 20 knots?					

Charter Application

Type of Boat Sailed (make and length)	Position (skipper or crew)	Owned, Chartered or Other (if 'Other', please explain)	Location (including charter company name if applicable)	Dates

CREW EXPERIENCE

Please list each person that will be on board (Please use separate sheet if necessary)

Name	Age	Sailing Experience	Proposed Position (First Mate, Crew etc.)

Charter Application

All charterers, regardless of experience, will receive a dockside briefing of the vessels systems and safety gear. This is more of a familiarization but is not intended to be instructional. Based on that, please answer the following questions:

Are you competent and confident to skipper the yacht you requested (without further training from a GLSC captain)? **Yes** **No**

Would you prefer further training with a GLSC captain to ensure that you will be competent and comfortable with the boat you requested? **Yes** **No**

After reviewing the "Docking and Harbor Handling Competency" requirements (on the "Welcome Aboard" webpage that was emailed), how would you rate your skill level to perform those maneuvers? **Excellent** **Good** **Need a Refresher**

Are you competent to deal with basic mechanical tasks, such as checking oil and monitoring engine performance and temperature? **Yes** **No**

Have you had any marine insurance claims in the **past 5 years**? If so, please explain.

I hereby declare that the information given above is true and accurate.

Signed by skipper

Date

If possible, please enclose photocopies of your sailing qualifications such as ASA, US Sailing, Power Squadron, USCG or any other sailing certificates you may have
