JEANNEAU

2023 Jeanneau Sun Odyssey 440-418

Three-cabin, two-head layout with queen size beds and separate shower stalls. The owner cabin has an ensuite private head/shower and plenty of storage space. The midship galley is perfect for entertaining and includes a second fridge/freezer. Other interior amenities include three-zone air conditioning, premium sound system, shades and screens for all overhead hatches and a light, airy interior.

On deck, a roller furling main and genoa assisted by power primary winches and a power winch on the coach roof, electric swim platform, the cockpit seating area converts into a sun bed and this model features the award-winning Jeanneau walk-around design. Large storage lockers, electric windlass and a massive bow locker also compliment the on-deck features.

Under Sail the 440 won't disappoint. Its hard chine is carried from stern to stem which minimizes heel, maximizes the sail plan and adds to the impressive performance. It's not unusual for the 440 to sail at 80% of the wind speed. Lines are led to the helm stations and is a very easy boat to sail short-handed or single-handed.
